Welcome to Harvest City's 16th annual Global Impact Celebration!

This year's theme is 'Origins'. Origins is the point or place where something begins, arises or is devised. The world admires and praises success and the heights of achievement, but can forget where it all started. The beginning doesn't always feel like a glamorous or powerful place; it is quiet, humble, small. But God is in the very first thought. God is in the very first step. God is in the ORIGIN.

This year will see a blend of ministry partners joining us in person and online. They will all share their stories of origins in their ministries and points in their lives where God has led them. We know it is going to be a powerful weekend interacting with them, and believe that God will stir some origins stories in each of us over the celebration as well!

'Commit to the Lord whatever you do, and HE will establish your steps.' - Proverbs 16:3

Looking forward to seeing you there, Pastor Joel & Angela Wells
