Introducing our 17th annual Global Impact Celebration and theme, 'God of Miracles'.

"He performs wonders that cannot be fathomed, miracles that cannot be counted." Job 5:9

After such a miraculous Faith Commitment Offering last year, we are believing that the origin seeds of faith that were sown will continue to grow. This year we want to challenge everyone to believe that God still does the miraculous in our lives today, and that we can be the miracle in someone else's life, if we allow God to use us.

This year we have partners joining us online and video updates from those who cannot be with us.

They will share testimonies of the miracles they have seen and been a part of. We know it is going to be a powerful weekend to not only hear about the miracles He has done, but believe for the miracles He will do!

See you there, Pastor Joel & Angela Wells
